REALLOCATION OF UNUSED QUALIFICATION PLACES

Unused team quota places (excluding Host Country places)

If the members of a qualified team do not reach the minimum eligibility requirements or if a team quota place is declined by an NOC, the team quota place will be reallocated as individual quota places as follows:

1. The NOC in question may then compete with a maximum of two (2) athletes in the individual competition.
2. Any remaining unused quota place(s) will go to the NOC of the next best ranked athlete on the FEI Olympic Athletes Ranking – Dressage (allocation through overall ranking).

Should an NOC send three (3) athletes as part of their team instead of the maximum four (4) entitled, the unused athlete quota place will be reallocated to the NOC of the next best ranked athlete from the FEI Olympic Athletes Ranking – Dressage (allocation through overall ranking).

Unused individual quota places

If an allocated individual quota place is not confirmed by the NOC by the confirmation of quota place deadline or is declined by the NOC, the quota place will be reallocated as follows:

- If a quota place was obtained through the Individual Championships or the FEI special qualification event, it will be reallocated to the NOC of the next best ranked athlete in the respective event. If none of the NOCs with athletes ranked in the respective qualification events are able to use the quota place, it will be reallocated to the next best ranked athlete on the FEI Olympic Athletes Ranking – Dressage (allocation through overall ranking).
- If the quota place was obtained through the FEI Olympic Athletes Ranking – Dressage (allocation through FEI Olympic Groups) it will be reallocated to the NOC of the next best ranked athlete from that group. Only if none of the NOCs with athletes ranked in the respective group are able to use the quota place, it will be reallocated to the next best ranked athlete on the FEI Olympic Athletes Ranking – Dressage (allocation through overall ranking).

QUALIFICATION SYSTEM – GAMES OF THE XXXI OLYMPIAD – RIO 2016

If the Host Country then decides to send one (1) or two (2) eligible athletes instead of a team, the total number of athletes that can qualify through the FEI Olympic Ranking List - Dressage (allocation through overall ranking) will be reduced by the number of individual athletes sent by the Host Country, one (1) or two (2).
